

**How it works:**

Shop and wait - or drop and go! We will call you when your offer is ready. We will evaluate and appraise your merchandise as quickly as we can. We will choose items that meet current safety standards and are in demand by our customers.

Please note that many of your items may be rejected based on current demand. You can choose to accept or decline our offer. If you decline, all items must be picked up before the close of business that day or they will become the property of Mommy & Me. Once you accept our offer, you will be on your way with some extra money in your pocket or store credit to use as your little ones grow.

I have read and agree with the above terms: Effective 2-1-15
